Tailoring and versatile separates are a blank canvas for the wardrobe, creating a curated and timeless collection . perfect for anytime, anywhere and any occasion. Frilled skirts and fluid wide-leg trousers are styled with structured jackets and coats as a contemporary nod to the seasons key trends.

Hobbs welcomes the return of their **By Invitation** label; an ethereal and feminine collection of dresses that will perfectly suit romantic summer events. The collection is youthful and pretty in pink featuring hand-painted falling floral prints and motifs. The cherry blossom print is a signature element and inspired by a vintage Japanese Kimono discovered by Hobbs creative team. The English cherry blossom, the first flower of spring, is seen on beautiful, delicate silks, with floating silhouettes and intricate hand painted designs and embroidery. Stunning shapes and gentle necklines bring fairytale elements to each dress.

Picking up on the current trend for pastoral folksy florals, **Cath Kidston** launches its latest pretty florals and novelty prints for SS17. The Painted Posy dress with cap sleeves is easy to wear or, if you want to strike a pose at a summer barbeque, check out the block stripe sleeveless dress in a super flattering shape. For a prim and proper moment, the pale pink ruffle shirt teams with jeans or can dress up a skirt.

Soft cottons and jersey prints are the go-to summer wardrobe at Cath Kidston, teamed with coordinated cardigans and cute accessories like the jasmine ditsy plimsols and handy foldaway party shoes.

Enduring design and beautiful style underpin the SS17 collection at **Seven Boot Lane** reflected in their signature suede ankle boots, luxurious espadrilles and sophisticated sandals. Key transitional pieces include smart ankle boots and neat slip-ons in soft unlined leathers. Sandals are shaped to the natural contour of the foot with smart detailing making them an everyday essential that are both comfortable and stylish with on trend textures like the flower snake print leather. Espadrilles on a natural rope wedge are fully lined for gentle wear in chalky hues of blush pink, cool ocean blue and sharp metallic. It is attention to detail that showcases the **Phase Eight** unique design aesthetic. Print lovers will be spoilt for choice with fabrics taking inspiration from vintage pieces.
