

## Al Fresco at Milsom Place

In every city the locals know the best places to dine al fresco when the sun comes out. Milsom Place comes top of that list for Bath with its lovely courtyards.

Discover a distinctly Continental vibe right at the heart of Bath whilst basking in the sunshine and enjoying fabulous food in the courtyards at Milsom Place. A feast of flavours includes Italian at Carluccio and French specialties at Côte Brasserie, as well as an edgy, cosmopolitan atmosphere at CAU, direct from Buenos Aires.

Côte Brasserie offers superb value with its lunch and early evening menus. Côte is inspired by the brasseries of Paris, championing relaxed all-day dining and serving authentic French classics made from top quality, fresh ingredients. Côte's commitment to producing authentic French classics, freshly cooked to order, requires sourcing ingredients of the highest quality. Corn-fed chickens from the heart of rural Brittany, pork rillettes and Charentais melons direct from the legendary Rungis market in Paris, sit alongside classic ingredients such as English asparagus from Herefordshire, Breton tomatoes and mussels. Only featuring on the menu when the season allows. Their Specials menu changes monthly so there is always something new to try, including gems such as whole grilled lobster, côte de boeuf or scallops.

Carluccio has established its reputation by combining signature Italian dishes that pack a punch like Risotto Al Funghi, together with seasonal Chef's Specials. This summer check out crisp and delicious salads like Abruzzese: flaked Italian tuna, buffalo mozzarella, green beans, sweet peppers, baby plum tomatoes, Italian leaves, new potatoes, anchovy fillet, soft-boiled egg and croutons, served with a light vinaigrette. Dolci include options like Tiramisu, Lemon Tart and Cherry and Almond Cake, what's not to love? Carluccio's Deli provides Italian style anti pasti to eat on the go, or take home to make Italian dishes with authentic ingredients. Carluccio say we're noisy about food. We taste it, try it and argue about it, until it's just right. But we don't mess around with it: we cook by Antonio's motto, MOF, MOF - Minimum of fuss, maximum of flavour. It's the Italian way & it's how we've worked since 1999!+

CAU imports the vitality and sense of fun for which Buenos Aires is renowned. The best steaks and burgers in town originate on the Pampas grasslands where Aberdeen Angus cattle are nurtured to perfection. Call in for a cocktail or book a Sunday roast with the family and explore this melting pot of comfort food. The Bottomless Brunch is becoming a popular pastime to while away a few pleasant hours on a Saturday morning. For a light bite, check out the Argentinian take on a pasty, empanadas filled with spicy beef; street food anticuchos; a skewer of grilled prawns complemented by papaya salsa; or CAU's ever-popular flatbreads: handmade bread topped with goat's cheese & salted onion; Chorizo, mozzarella & parmesan; or Crab, mango salsa & herb oil.

Buenos Aires cuisine is a melting pot of delicious comfort food inspired by Italy, Spain and Argentina. From the mouth-watering steaks, burgers and sandwiches, to the tempting selection of sides and moreish favourites, each dish is served up with its own distinctive Argentinian twist.

• ..and the new kid on the block is Le Vignoble, the wine lounge that brings fabulous wines to taste and take home or savour with friends.
